

Connecting Worlds - EAM & BPM for Business & IT

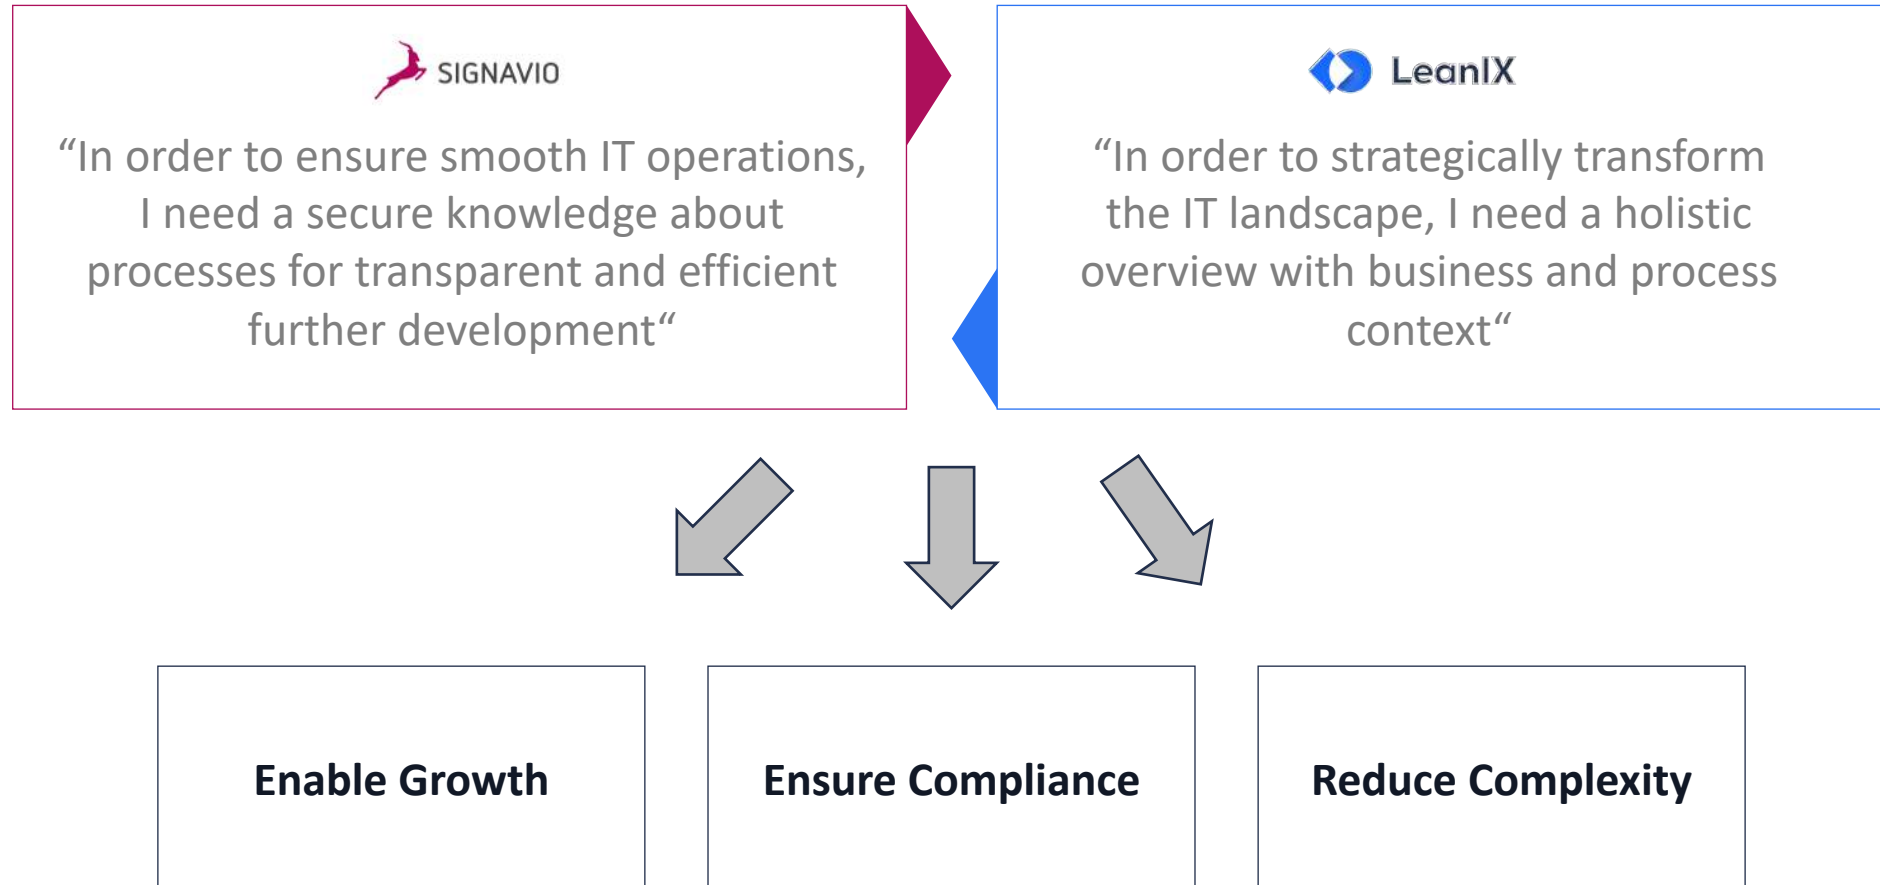

Julian Ludwig, Sales Engineer

Patrick Drange, Senior Presales Consultant

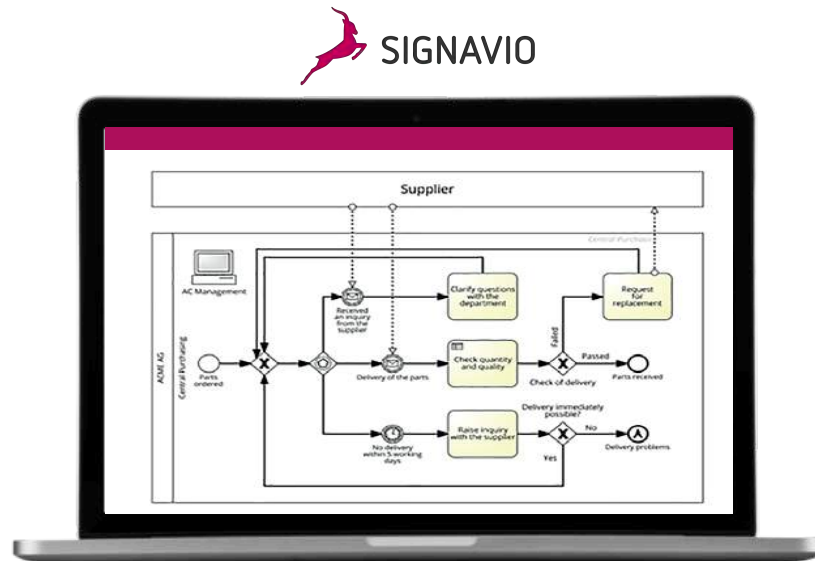

September 2nd, 2020

CIOs demand strategic and operational IT modernization

Out-of-the-box integration

BPM

Processes

Factsheet
Objects

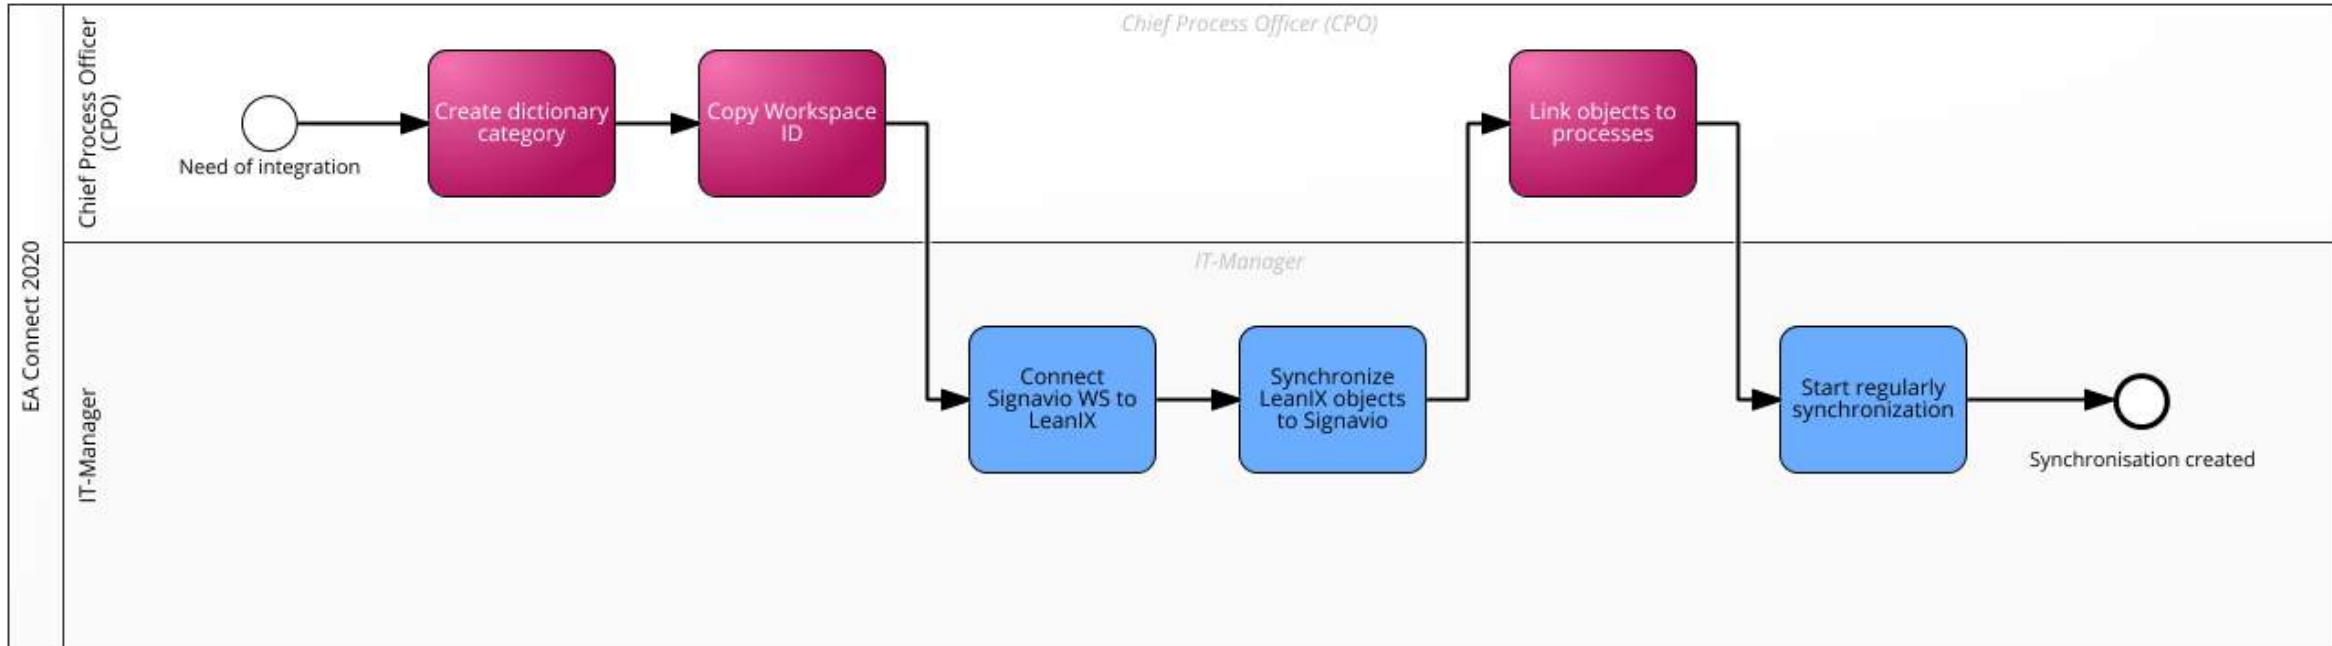

The table shows a factsheet for EAM objects. It has columns for 'Account Provisioning', 'Enterprise Architecture Management', and 'Staff Onboarding'. The rows represent different regions: Australia, Brazil, Central Accounting, China, France, and Germany. The table lists the specific EAM version used in each region.

	Account Provisioning	Enterprise Architecture Management	Staff Onboarding
Australia	Contract Management	LeanIX 4.0.70	AC Management 3.1
Brazil		LeanIX 4.0.70	AC Management 5.0
Central Accounting			
China		LeanIX 4.0.70	
France		LeanIX 4.0.70	AC Management 3.1
> Germany		LeanIX 4.0.70	AC Management 3.1 / AC Ma... AC Management 5.0
